

Friends of Akesh Yelavarthy

Thanks to the many gifts made in memory of Akesh, BBBSChi has been able to stay focused on the mission to make and support life-changing relationships for kids throughout Chicagoland. Collectively, you will continue to enhance each unique match relationship this year.

While every attempt has been made to accurately record and acknowledge everyone who generously supports the BBBS mission, if any omissions or inaccuracies have occurred, please let us know and kindly accept our apologies for the oversight.
