

Individual Donors

We are so grateful for all of our generous Individual Donors that have fueled the mission over the past 18 months. **Thanks to you, we have created a village of support, surrounding kids with resources, opportunities and positive relationships that empower them to stay on the path to a successful future.**

Please note that donor giving levels represent gifts received from 7/1/2020 – 1/31/2022. While every attempt has been made to accurately record and acknowledge everyone who generously supports the BBBS mission, if any omissions or inaccuracies have occurred, please let us know and kindly accept our apologies for the oversight.
