"The odds were against my son if I didn't do anything. It was imperative that he be exposed to a positive male role model. And the time that Chris has given to us has been such a precious gift. Mason has changed because Chris believes in him. He is more confident because Chris is committed to him. Mason has a sense of future because Chris provided a new perspective and a safe space for Mason to achieve something great."

- Diana, Mom of Little Brother Mason
